STAFF ASSESSMENT

Regarding “a” above:

Public Involvement and Formal Procedure in Creating the Comprehensive Plan and Civic Master Plan. “A week-long charette was held in November 2008 to obtain public input in the comprehensive planning process.”¹ City Council established a 17-member advisory committee to guide preparation of the City’s 2009 Comprehensive Plan and to serve as a source of public input.² In May 2009, the draft 2009 comprehensive plan was released for public review and comment.³ In September of 2009, city council, the advisory committee, and the joint planning commission held a joint workshop on the draft comprehensive plan.⁴ In October 2009, the joint planning commission held a workshop on the draft plan.⁵ On November 12, 2009, the City of Beaufort – Town of Port Royal Joint Municipal Planning Commission passed a resolution recommending adoption of “Vision Beaufort 2009 Comprehensive Plan” as the comprehensive plan for the City of Beaufort. A public hearing on the recommended adoption of comprehensive plan was held on November 24, 2009, with the public notice of the hearing published in The Beaufort Gazette on October 25, 2009.⁶ After a first reading on November 24, 2009 and a second reading on December 8, 2009, the City Council of the City of Beaufort, SC, adopted “Vision Beaufort 2009 Comprehensive Plan” as the comprehensive plan of the City of Beaufort.⁷

“Upon adoption of the Comprehensive Plan, Beaufort’s City Council gave the city’s Redevelopment Commission the . . . [task of translating] the Comprehensive Plan vision into specific parcel-level plans for public and private investment”.⁸ “The planning process spanned a period of two years and included many stakeholder meetings, several design charettes, numerous public workshops, and extensive discussion and review with non-profit partners.”⁹ The result was the Civic Master Plan and the intent was “to implement the recommendations in

the Vision Beaufort 2009 Comprehensive Plan”.¹⁰ On November 18, 2013, the Beaufort - Port Royal Metropolitan Planning Commission unanimously passed a resolution recommending adoption of the Civic Master Plan as an amendment to the 2009 comprehensive plan. On January 14, 2014, a public hearing before city council was held; public notice of the hearing was published in The Beaufort Gazette on December 13, 2013. On February 11, 2014, City Council passed an ordinance, after two readings, amending the comprehensive plan by adopting the Civic Master Plan.¹¹

Consistency with the Comprehensive Plan and Civic Master Plan. The Vision Beaufort 2009 Comprehensive Plan, aka *Vision Beaufort | 2020 Comprehensive Plan*, “recognizes that in order to prepare for a more compact and sustainable future, new development must be higher in density than at present. In essence, the next century for Beaufort will be a period during which it must mature into a moderately dense, urban city to effectively and efficiently provide services and attract needed investment.”¹² The comprehensive plan lays out the future land use of the city through *the framework plan*. “The Framework Plan is a land use policy map intended to provide guidance to Beaufort’s leaders as they make decisions on where and how the community should grow. It provides the overall structure for orchestrating appropriate patterns of growth and environmental conservation throughout the community.”¹³

The western portion of parcel R200 015 000 0116 lies within the framework zone G3B Corridor Mixed-use, which foresees the following zoning districts: T2, T3, T4, T5 and T6.¹⁴ G3B lands are intended for a mixture of regional serving commercial, residential, and institutional destinations.¹⁵ The remainder of the parcels and the eastern portion of R200 015 000 0116 lie within the framework zone G1 Moderate Density Residential Neighborhood, which foresees the following zoning districts: T2, T3, and T4.¹⁶ G1 lands are intended for moderate density residential development, limited neighborhood retail and service uses, and civic uses.¹⁷ All the parcels lie within a designated “neighborhood center” and are intended to be mixed-use activity centers serving surrounding neighborhoods with retail, services, civic uses, and higher density housing.¹⁸

“The purpose of the Civic Master Plan is to identify and prioritize the allocation of public investment in the City of Beaufort’s infrastructure.”¹⁹ A large portion of R200 015 000 0116

0000 is within the Civic Master Plan’s sector plan – Lady’s Island Village Center, which is described as a “regional commercial center” with the expectation that “[o]vertime, infill development and redevelopment will create a more connected and coherent pattern of circulation through the area”.²⁰

On April 23, 2019, the City of Beaufort resolved to adopt the Lady’s Island plan and to incorporate its recommendations into the City’s comprehensive plan with the next update. Regarding the proposed rezoning of the parcels, the properties are in the Community Form area – Village.²¹ In the “Village” the Lady’s Island Area Plan “encourage[s] compatible mixture of uses, including commercial, residential, office, and personal services”. The plan also “encourage[s] new residential uses. The village should be a place where people live, shop, socialize, are entertained, and meet daily needs.”²²

Regarding “b” above:

Compatibility with the Present Zoning, with Conforming Uses of Nearby Property, and with the Character of the Neighborhood.

Currently Zoned

| | | |
|------------------------|--------------------|----------------------------|
| R200 015 000 0116 0000 | 11 Williams Street | T4HC (Hamlet Center) |
| R200 015 000 0526 0000 | 19 Mayfair Court | T3N (Neighborhood) |
| R200 015 000 0525 0000 | 17 Mayfair Court | T3N (Neighborhood) |

| R200 015 000 0523 0000 | N/A | T3HN (Hamlet Neighborhood) |

The parcel which is along Williams Street but has no address is currently zoned Beaufort-County-T3-HN; as is the adjacent parcel to its north. Beaufort-County-T3 Hamlet Neighborhood “is intended to reinforce established neighborhoods, to maintain neighborhood stability and provide a transition between the walkable neighborhood and rural areas”²³.

The properties along Mayfair Ct. are zoned Beaufort-County-T3-N, as are the adjacent properties to the north. Beaufort-County-T3-Neighborhood is intended to provide a walkable, predominantly single-family neighborhood that integrates compatible multi-family housing types, such as duplexes and cottage courts within walking distance to transit and commercial areas.²⁴

The largest parcel, 11 Williams Str., is currently zoned Beaufort-County-T4-HC (Hamlet Center) and is intended to integrate appropriate, medium-density residential building types, such as

²⁰ Civic Master Plan, City of Beaufort, SC, adopted 2/11/2014. p.134

duplexes, townhouses, small courtyard housing, and mansion apartments in an environment conducive to walking and bicycling. Beaufort-County-T4-HC allows general retail (less than 3,500 square feet), restaurants, lodging inn (up to 24 rooms), medical clinics/offices, et al.²⁵

The adjacent parcel to the south is in the city and is zoned T5-UC (the same as is being requested).

The adjacent parcels to the south and southeast are Beaufort-County-T4-NC (Neighborhood Center), which are intended to integrate vibrant main-street commercial and retail environments into neighborhoods, providing access to day-to-day amenities within walking distance, creating potential for a transit stop, and serving as a focal point for the neighborhood.²⁶

The parcels adjacent to the east and which abut Robert Small Parkway are zoned Beaufort-County-T4-HCO (Hamlet Center Open), which is intended to provide neighborhoods with a broader amount of retail and service uses in the scale and character of the T4HC zone.²⁷

Regarding “c” above:

Suitability of the property that would be affected by the amendment. The property is well situated for future development as T5-UC in terms of size, location, and vicinity to employment centers.

Regarding “d” above:

Compatibility with the natural features of – and any archaeological or cultural resources on – the property. Staff is unaware of any archaeological or cultural resources on the property.

Regarding “e” above:

Marketability of the property that would be affected by the amendment. The property under T5-UC would allow for a broader range of uses, and, therefore, should be more marketable.

Regarding “f” above:

Availability of roads, sewer, water, and stormwater facilities generally suitable and adequate for the affected property. Public infrastructure currently exists. Suitability and adequacy of the infrastructure, dependent of the plans for the property, will be assessed during development review by the Technical Review Committee in accordance with the Beaufort Development Code Chapter 7 (Land Development) and Chapter 9 (Development Review Procedures).

DATE: 2/11/2020
DEPARTMENT: Finance

BACKGROUND INFORMATION:

The Greenlawn Neighborhood Revitalization Project is a federally funded project through a \$500,000 Community Development Block Grant (CDBG) administered through the SC Department of Commerce. The total project budget was \$3,365,568, and comprised funding from Dominion Electric and Non Standard Service funds along with TIF II funding to shore up the difference between the grant award and the total budget.

Preferred Materials, Inc. is the construction contract award on this project. The total Contract value, previously approved by City Council was \$2,148,996.
