I am submitting this request on behalf of Nichole Brantley of Sea Island Carriage Company and Rose White of Southurn Rose Carriage Company. Ladies I concur with *most* of SouthurnRoses' request. I will make changes to add my numbers and mark out what I am not completely on board with or what I may not think is priority at this time.

These are the items I would like addressed by the council.

1. Slot fee for July 1st which was postponed to September 20th be Forgiven **or dramatically reduced**.
2. Slot fee for October 1st be Forgiven **or dramatically reduced**.

This is because neither company was able to work Mid March Through May 22nd as we shut down to help slow the spread of COVID-19 and then all Non essential businesses were not allowed to reopen until Memorial weekend.

As you know, March, April & May is our busiest season of the year **and we make approximately 50% of our annual income during that time**. The revenue from the spring is used to carry us through the slower **and hotter** months of summer.

Whereas we are very grateful to be able to work, our ridership has definitely been affected by COVID-19 as people are not yet traveling at the same rate as in past summers. With our social distancing measures of NOT mixing groups a carriage can literally be full with 4 passengers-when before we could hold 16.

We have had a very hot summer, since mid June we have been closed by lunch time almost everyday, both companies are utilizing the early 9:00 & or 9:20 tours to put an extra tour or 2 out in the early morning but many days we were closed before the 10:20 or 10:40 tour could begin. Occasionally, we would be able to do an 11:00 or even as late as 12:00. We actually worked on some rainy days to do tours before the heat conditions but as soon as the rain stopped, the sun would make it too hot to work. A few days we actually shut ourselves down as we knew it would be too hot to go out on tour by our next scheduled tour time.

During the summer as we did during the winter we are operating on alternating days allowing each company to save on payroll and operating cost during the slow season, both companies are working well together and sending people to each other when it's not our day. Alternating days allow our employees to social distance from each other and gives us more room to keep our passengers socially distanced at the waterfront, as well as space to sanitize our listening devices and carriages between tours.

In June 2020 Sea Island Carriage Company did 87 tours with an average of 8 people per carriage. Compared to 2019.... 120 tours & over double the number of riders.

Good morning Ladies

Whereas we are very grateful to be able to work, our ridership has definitely been affected by COVID-19 as people are not yet traveling at the same rate as in past summers. With our social distancing measures of NOT mixing groups a carriage can literally be full with 4 passengers. As we have had quite a few 'singles' traveling this summer and even though it hurts us financially when we have a single person on a 4 passenger bench seat by themselves we do not want to 'discriminate' against a person for traveling alone.

We have had a very hot summer, since mid June we have been closed by lunch time almost everyday, both companies are utilizing the early 9:00 & or 9:20 tours to put an extra tour or 2 out in the early morning but many days we were closed before the 10:20 or 10:40 tour could begin. This summer for the month of June, SouthurnRose did 70 tours for a total of 409 passengers an average of 5.8 passengers per tour. Most of these tours were during the first 2 weeks of June before the heat threshold was being reached daily.

In the month of July SouthurnRose did 47 tours for a total of 270 people for an average of 5.7 passengers per carriage.

Beaufort City Council in 2020

FRONT: Councilwoman Nan Sutton, Mayor Billy Keyserling, Councilman Stephen Murray

BACK: Mayor Pro Tem Mike McFee, Councilman Phil Cromer

Dear Friends:

Every year, City Council and City staff gather for a two-day retreat to review and update the City's Strategic Plan. We did that in February. By late March – around the time we would be fine-tuning our plan, we were in the midst of adjusting operations as the Covid-19 pandemic surged.

But while we adjusted our operations and budget to the pandemic fallout, we did not lose sight of our City's short- and longer-term goals addressed in this Strategic Plan. Our 2020-2022 plan lays out four Key Focus Areas:

- Economic Development & Innovation
- A Safe & Vibrant City
- Growth & Natural Resources
- Organizational Excellence

Within each of these Key Focus Areas are objectives and initiatives that the City of Beaufort staff will focus on over the next two years. For the public, our progress will be measured by a dashboard that will become available on the City's website.

During our retreat, we kept coming back to the word "authenticity." Authenticity is everything that makes Beaufort a special hometown and a premier destination -- our schools, our shops, our businesses, our parks, our homes, our parades and festivals, our military bases, and our waters and land filled with people of all ages, races, and incomes enjoying a constantly evolving, vibrant life. As we make progress on our goals over the next two years, we will keep in mind just what it is that makes Beaufort authentic.

Economic Development & Innovation

The City will strengthen and diversify its economy, and build employment opportunities, through partnerships and innovation. We will support existing businesses and recruit new businesses as we promote balanced land use, support diverse tourism, and remain an authentic hometown.

Objective 1: Promote business prosperity and sustainable development

Initiatives:

- 1.1 Provide a collaborative environment by engaging partners, including the Beaufort County Economic Development Corporation (BCEDC), Beaufort Regional Chamber of Commerce, and Greater Beaufort-Port Royal Convention & Visitors Bureau (CVB), as we work toward building a vibrant and sustainable economy. Continue to work with landowners on business recruitment and ensure the balanced administration of the Beaufort Code.
- 1.2 Assess the distribution of business and industry by 6-digit NAICS code.
- 1.3 Collaborate with the CVB, Beaufort Area Hospitality Association, University of South Carolina-Beaufort (USCB), the Downtown Beaufort Merchants Association, and all stakeholders to enhance and diversify tourism.
- 1.4 Increase the awareness and use of the Beaufort Pride of Place, an initiative to beautify and improve Beaufort through private donations.
- 1.5 Develop a local incentives package (permitting, tax abatement, private incentives from communications/utility companies) targeting startups, businesses that are expanding, and companies looking to relocate.
- 1.6 Leverage partnerships with USCB, the Technical College of the Low Country, and the Beaufort County School District, the military, and the Beaufort Digital Corridor to build out career pathways that will help diversify the City's economic base. These include health care, digital commerce, and cybersecurity.

Work with our educational partners, the military, Beaufort County, and the Beaufort Regional Chamber of Commerce to develop career pathways, research, and jobs centered around cybersecurity.
- 2.3 Complete the second-phase renovation of 500 Carteret Street as a “corporate landing pad” for overseas companies wishing to learn more about opportunities here.
